We're recruiting **NEW** Singers for the West's leading Male Choir

Bath Male Choir hit the headlines on the BBC 'Last Choir Standing' series.

Since then, they've performed in hundreds of concerts across the UK, Europe,
Japan and (last November) Boston. We have an increasing number of concerts
and events for 2020 and founder conductor Grenville Jones wants to
recruit 20 new singers to Bath Male Choir to enable the choir to meet all requests.

You **DO NOT** have to have previous choir experience, although a love of singing is the Key.

See our website for full details of rehearsals in Beechen Cliff Methodist, Shakespeare Avenue, Bear Flat. There's a simple voice test with Grenville – come along and meet us.
