# Our special guest **ALED JONES**

Aled Jones has had an extraordinary career over the past three decades. He is the original crossover star and has sung for the Pope and the Royal Family, has received an MBE, released over 30 albums, with over 10 million album sales and counting and has over 40 Silver, Gold and Platinum Discs.

After beginning his career at the age of 12, Aled became one of the world's most successful boy sopranos, releasing 12 hit albums in 4 years with the defining moment being '*Walking in the Air*', the hit song from the animated film *The Snowman*.

As a broadcaster, he has forged an extensive career, having worked for BBC Radio 2 and 3, in addition to a regular spot on BBC Radio Wales, which he has held for the last 15 years. Aled also hosts the Classic FM Sunday Breakfast Show and has become a popular favourite on the station. His own show *ITV Weekend* has just returned to our screens every weekend, along with BBC1's *Going Back Giving Back*, which is back for a second series and will be returning to BBC1's *Songs Of Praise*.

Aled continues to record and perform alongside his radio and TV career. Last year *One Voice* reached no.3 position in the UK Official Album Chart – selling more units in the first week of sales than former *One Direction's Zayn Malik* and held the no.1 spot on the Classical Chart for 14 weeks - gaining silver BPI status.

Later that year *One Voice at Christmas* shot to no.1 in the Classical Chart, selling over an impressive 60,000 units during these 4 weeks and making *One Voice* and *One Voice At Christmas* the 2 top selling classical albums of 2016 in the UK. *One Voice Believe*, the last album in the trilogy, was released on November 3rd 2017.

Aled enjoyed a hugely successful trip to Australia last year where he released his album and enjoyed yet another No 1.

**We are delighted to welcome him to Bath for a very special concert on Saturday September 8th, 2018.**
